

First of all I would like to thank each and every one of you who has helped us with our recent fundraising by selling, buying, driving kids to and from, supervising, or just being a great supporter of this music program you are all making a difference!

Mr. Kaufman was a great sport when he was dropped into the Jaycees Dunk Tank last Sunday! It was a really hot day so I don't think he minded too much! Thanks again Mr. Kaufman and the Jaycees.

Wow do you people like pies! The pie sale was such a great success we are planning on doing it again in the fall, I don't have a final tally but suffice it to say there will be a lot of people having pie for desert for a quite awhile!

I know you are all waiting with great anticipation to find out the winner of the Tag Day parade and picnic but you will just have to wait a little bit longer. I have been told the decision will be made by Friday and I promise it will be in my next article!
